Syrah

Estate grown grapes from the Santa Cruz Mountains AVA

ALC/VOL: 13.6%	PH: 3.46	TA: 5.9 g/L
----------------	----------	-------------

Cloaked in a beautiful boysenberry color, our coastal syrah steps out of the bottle as a buttoned-up wine with a bit of a peppery edge. But it soon relaxes, offering rich fruit flavors and sweet chili spice. Its textural tannins indicate excellent cellar-ability – if you can resist the temptation to pour some right now.

Winemaker: Anthony Craig

Syrah grapes were harvested at 23.2 degrees Brix on October 23rd, 2021.

COMPOSITION	100% Syrah
CASE PRODUCTION	150
